West Virginia Code §5A-3-59 establishes a procurement certification program in West Virginia for small, women-, and minority-owned businesses. Requirements related to the certification program are provided in West Virginia Code of State Rules & 148-2-1 et seq. Note that this certification program provides nonresident vendors preference that is equivalent to competing resident (West Virginia) vendors that have applied for resident vendor preference, in accordance with West Virginia Code §5A-3-37. This certification may assist resident small, women-, and minority-owned businesses when soliciting business in other states.

To apply for the certification, click Add Items and select Business Type ID of "SWAM".
